Founder

CLOUD CONSULTING & DEVOPS

Transgender

Who am I?

Hi, I'm Arya, a **trans-woman** with a passion for **technology, art**, and pushing boundaries. I'm a seasoned Cloud Consultant and Linux Administrator with 7+ years of experience. When I'm not diving deep into the world of technology, you'll find me on the **football** field, honing my **skateboarding** skills, or expressing myself through my **art**.
